COFFEE TABLES COLLECTION

## Square Opposite Shelves

### Coffee Table

The Square Opposite Shelves coffee table stands out with its opposite shelves design, laminated wood construction, and powder-coated black steel structure. The tabletop and shelves of the coffee table are crafted from high-quality laminated wood. This material not only provides a sleek and smooth surface but also offers durability and resistance to wear and tear. It is a versatile and modern addition to contemporary living rooms, providing both a stylish centerpiece and practical storage solutions.

### Sizes

70cm x 70cm x 40cm  
80cm x 80cm x 40cm  
100cm x 100cm x 40cm

## Square Opposite Drawer

### Coffee Table

The Square Opposite Drawer embodies modern elegance, offering both style and functionality to enhance the overall look and usability of your living space. The combination of laminated wood and a powder-coated steel structure results in a coffee table that is not only aesthetically pleasing but also sturdy and durable, capable of withstanding daily use and maintaining its appeal over time.

### Sizes

## Two Opposite Drawer

### Coffee Table

The Two Opposite Drawer coffee table stands out with its opposite drawer design, laminated wood construction, and powder-coated black steel structure. The tabletop and drawers of the coffee table are crafted from high-quality laminated wood. This material not only provides a sleek and smooth surface but also offers durability and resistance to wear and tear. It is a versatile and modern addition to contemporary living rooms, providing both a stylish centerpiece and practical storage solutions.

### Sizes

160cm x 60cm x 23cm

\*Size not inclusive of legs

## Round

### Coffee Table

The Round Coffee Table offers a perfect fusion of materials, combining the warmth of laminated wood with the sleekness of steel legs and the opulence of a marble pattern. This interplay of textures and finishes adds depth and character to the coffee table, making it a standout piece in your decor. The table's moderate size strikes a balance between functionality and space efficiency. It provides ample surface area for serving snacks, beverages, or displaying decorative items without overwhelming the room.

### Diameter

80cm, 100cm

## Sharon

### Coffee Table

The Sharon Coffee Table offers a perfect fusion of materials, combining the warmth of laminated wood with the sleekness of steel legs and the opulence of a marble pattern. This interplay of textures and finishes adds depth and character to the coffee table, making it a standout piece in your decor. The table's moderate size strikes a balance between functionality and space efficiency. It provides ample surface area for serving snacks, beverages, or displaying decorative items without overwhelming the room.

### Diameter

45CM x 44CM  
42CM x 38CM  
39CM x 32CM

## Geometric

### Coffee Table

The Geometric Coffee Table is a striking piece of furniture that combines contemporary design with luxurious detailing, creating a focal point for your living space. It is a visually captivating piece with a unique design, steel legs, a panel board base, and a luxurious marble pattern. A perfect addition to modern and contemporary living spaces, offering both style and functionality. The tabletop of the coffee table boasts an intricate geometric shape, enhancing its visual appeal and adding a touch of modern sophistication. Easy to clean and maintain, ensuring that the coffee table remains a pristine centerpiece in your living room. Regular cleaning with a damp cloth is sufficient to keep it looking its best.

### Sizes

120CM x 60CM

## Geometric

### Side Table

The Geometric Side Table is a compact yet eye-catching piece of furniture that seamlessly blends modern design with luxurious detailing, bringing sophistication to your living space. The side table is supported by sleek steel legs that contribute to its modern and streamlined appearance. The steel legs provide stability and durability, making the table suitable for everyday use. The geometric design and compact size make it versatile for placement in various areas of your living space. Whether used as a standalone piece or paired with other furniture, it adds a touch of contemporary elegance.

### Sizes

50cm x 45cm

## Betty Adjustable

### Coffee Table

The Betty Adjustable Coffee Table seamlessly combines style and functionality, offering a versatile and contemporary centerpiece for your living space. Its adjustable height feature sets it apart, making it adaptable to different situations and ensuring it meets the diverse needs of modern lifestyles. Whether you're hosting guests, working from home, or simply enjoying a quiet evening, the Betty Adjustable Coffee Table accommodates a variety of activities, making it a valuable addition to your living room or multifunctional space.

## V-Frame

### Coffee Table

The V-Frame Coffee Table with a wooden base and metal frame is a striking furniture piece that brings together the natural beauty of wood and the modern allure of metal. Its elegant design and versatile functionality make it a captivating addition to your living room. Both the wooden base and metal frame are chosen for their durability and ease of maintenance. A simple wipe-down with a damp cloth is usually sufficient to keep the coffee table looking pristine, making it a practical choice for daily use.

### Sizes

120cm x 60cm

## Triple Nested Corner Seat

### Coffee Table

The Triple Nested Corner Seat offers a harmonious blend of comfort, style, and space efficiency. Its innovative design makes it a standout choice for those seeking a contemporary and functional solution in compact living spaces. The standout feature of this coffee table ensemble is its nested design, comprising three individual tables that perfectly fit into a corner configuration. The nested arrangement allows for efficient use of corner spaces, making it an ideal choice for maximizing seating in cozy living areas or small rooms.

DINING TABLES & CONSOLES  
COLLECTION

## 2 Cabinet 3 Drawer

### Dining Console

The 2 Cabinet, 3 Drawer Dining Console with a steel structure and metal legs is a versatile and contemporary piece designed to enhance both the aesthetics and functionality of your dining area. The steel framework provides a sleek and modern appearance while ensuring the console's longevity. Featuring two cabinets, three drawers, and four shelves, this dining console provides extensive storage options to keep your dining essentials organized and easily accessible. Additionally, the steel and metal components are easy to clean, requiring only a gentle wipe to maintain their sleek appearance.

### Colors

## 4 Door With Foil Door 161 X 45

### Dining Console

The 4 Door with Foil Doors 161cm x 45cm Dining Console is a versatile and stylish addition to your dining room. Its combination of concealed storage, open shelving, and contemporary design make it a practical and aesthetically pleasing piece for organizing and enhancing your dining space. The highlight of this dining console lies in its four foil doors, each concealing ample storage space. The foil doors add a modern touch to the console's design while providing a sleek and streamlined appearance. Behind these doors, you'll find convenient storage for dinnerware, linens, or other dining essentials.

## Counter Table 120\*60cm, 180\*60cm

### Counter Table

The Metal Frame Counter Table is a chic and versatile piece designed to elevate your dining experience with a modern aesthetic and practical functionality. The foundation of this counter table is a robust metal frame that ensures stability and durability. Crafted with precision, the metal frame not only provides structural integrity but also adds an industrial touch to the table's design. Available in two sizes, the 120x60cm option is perfect for more compact spaces, while the larger 180x60cm variant offers a more generous surface area. The metal frame and smooth tabletop surface make this counter table easy to clean and maintain. A quick wipe-down with a damp cloth keeps it looking polished and ready for your next dining experience.
