BEDS COLLECTION

## Antalya

### Bed Set

The Antalya bed set provides a chic style with a balanced headboard that transforms your sleeping area. The headboard has a wooden particle board core, adorned with a button-tufted design, decorative pins, and supported by a lightweight steel structure frame. The upholstered footboard and sideboards feature a particle board core, a lightweight steel frame with connecting hooks for easy assembly and black powder coated steel legs to support the base. For the base, Dr. Mattress Furniture recommends the use of a flat plywood base instead of a slatted base to increase the durability of the mattress.

**Headboard**

POUFFE COLLECTION

## Square Pouffe 45cm x 45cm

### Sofa Pouffe

The pouffe is square in shape, measuring 45x45 centimeters. This compact size makes it versatile and easy to integrate into various living spaces. The square form provides a clean and modern look. The combination of the square shape, upholstery, and decorative buttons creates a piece of furniture that is not only functional but also adds a touch of elegance and style to the room. It's a well-crafted and thoughtfully designed item that contributes to the overall ambiance of the space.

### Colors

## Rectangular Pouffe 50cm x 100cm

### Sofa Pouffe

This pouffe is rectangular, measuring 50 centimeters in height and 100 centimeters in width. The elongated shape makes it particularly suitable for use as a footrest or as additional seating for a larger space. The pouffe is constructed to provide a balance of comfort and durability. The overall construction is designed to withstand regular use and maintain its shape over time. The combination of its rectangular shape, upholstery, and functional design as a sofa pouffe creates a piece of furniture that is both aesthetically pleasing and practical. It contributes to the overall design and functionality of the space, providing a comfortable and stylish addition to the room.

### Colors

## Round Pouffe

### Sofa Pouffe

The upholstered round pouffe with decorative pins and buttons, along with a steel internal structure, presents a well-balanced fusion of style and functionality. It is a visually appealing and durable piece of furniture that can enhance the overall design of the room while providing a comfortable and versatile seating option. The pouffe is covered in upholstery, offering a comfortable and tactile surface. The upholstery material could range from fabric to leather or other synthetic materials. The choice of material can influence the pouffe's texture, durability, and overall aesthetic.

### Colors

## 2 Drawer, 1 Shelf Pouffe 100cm x 40cm x 35cm

### Sofa Pouffe

The pouffe has a rectangular shape with dimensions of 100cm (length) x 40cm (width) x 35cm (height). This size makes it versatile and well-suited for placement in various areas of a room. This pouffe combines practicality with a modern aesthetic. The upholstery, along with the addition of drawers and a shelf, creates a piece of furniture that not only serves as a comfortable seating option but also contributes to the organization and visual appeal of the room. The design is likely to be sleek and contemporary, making it a suitable addition to modern interiors.

### Colors
